

# Yasawa Princess

## Fact Sheet

### Description

#### PROFILE

In search of true Maldivian paradise and complete indulgence, let your senses take hold of the decadent atmosphere onboard the intimate cruise on Yasawa Princess. Fine attention to detail and a completely personal and hospitable service leads you to the island of dreams where an opulent and extravagant cruise is in store for you. The Yasawa Princess has 33 wonderful cabins and the ability to carry up to 60 guests. Upon arriving at the Yasawa Princess, you will find all the staff ready to greet and assist you onboard with a welcome meeting in the charming lounge. Guided around your floating home for the next 7 or 14 nights you will see the care and consideration taken in fully optimising your luxurious and completely pleasurable journey.

#### ACCOMMODATION

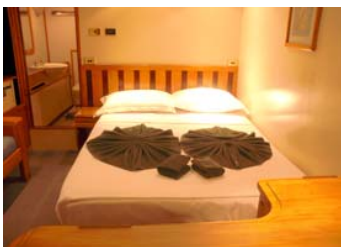

##### Lower Main Deck Cabins

The well designed cabins all match the brilliant display of quality found throughout the Yasawa Princess. On the Main deck you will find 12 fully air-conditioned cabins hosting double or twin beds for your requirements and at an average size of 13 square metres equal to 142 square feet, these are extremely spacious. Ensuite bathrooms can be found in each and wonderful porthole views of the Maldives add to the tranquility of your private quarters. Yasawa Princess supplies you with all the necessary conveniences enhanced by a warm and softly furnished interior, which is continued through to the A deck.

#### ACCOMMODATION

##### A Deck

A further 14 cabins can be found on A deck. These are also fully air-conditioned and decorated in warm colours creating a sense of total seclusion. Double or twin beds furnish the rooms and a deck window offering superb views of the Indian Ocean is found in all. The average size of each cabin is 11 square metres or 117 square feet and again ensuite bathrooms are found throughout.

## **ACCOMMODATION**

### **Bridge Deck**

Another 7 cabins are found on Bridge Deck with all being fully air-conditioned and measuring out at an average of 10.5 square metres or 115 square feet. Double or Twin beds are available and carefully arranged furnishings make your private area luxuriously comfortable. Ensuite bathrooms with all the necessary amenities grace each cabin and with Indian Ocean views from the deck windows, this only adds to the wonderful holiday atmosphere.

## **FACILITIES & SERVICES**

All areas on board the Yasawa Princess are designed to create maximum style and maximum convenience to each of its passengers. You will find the Lower Main Deck of the Yasawa home to 12 fully air-conditioned cabins spaciouly designed and perfectly laid out. The A deck follows with another 14 air-conditioned cabins, again excellently designed. The upper Bridge deck also houses 7 cabins fully air-conditioned, once again with comfortable interiors.

Leading on to the Saloon deck, the hub of the Yasawa Princess entertainment, you will find an enchanting 100 seat dining room designed in a warm wood decor elegantly laid out with place settings adding the finishing touch. Providing a cosy and elegant feel, the rich wood design, signature tones and ceiling spotlights all adds to the intimate feel of your time on board. The resident bar can also be found in the dining area which guarantees to aid you in your evening of light entertainment and relaxation. Let the staff pamper you with delectable culinary delights, a wide selection of fine wines, cocktails and spirits or a cool and refreshing beer. The choice is entirely yours.

Opening out onto the sun deck, the Yasawa experience continues. Tables and chairs are neatly laid out for you to enjoy the complimentary breakfast under the glorious early morning sunshine either ashore or on board Yasawa. For those eager to bronze under the Maldivian sun, loungers and sun beds are available. Settle down to a day of sightseeing, outdoor pursuits or complete, blissful serenity. Essential to the calming atmosphere of the Yasawa Princess is the forward lounge. Spacious and attractive, this area boasts an option of quiet solitude, the chance to mingle with other guests or merely sit back and contemplate the day's events over a beverage or two.

**SPORTS & LEISURE**

A wonderful array of activities awaits you on the Yasawa Princess and included in the itinerary are many opportunities geared towards all passengers' interests and preferences. Night fishing is a magical experience in the picturesque surroundings of the Maldives and sunbathing on the powdery like sands is adored by all. As you stop off at the many collective Maldivian Islands, you will have several opportunities to go at your own pace into the local villages for shopping, sightseeing, culture trips and spa facilities. In particular the islands of Giraavaru and Velidhu Island Resort offer the spa services helping you to feel totally rejuvenated (Additional Charge). In fact to add to all this extravagance, the Yasawa Princess also provides a planned and prepared barbecue night on each cruise itinerary and further ones on an ad hoc basis on the stunning beach all prepared by the two excellent onboard chefs. Night time is complimented by a slide show of pictures and memories relating to your daily excursions, providing many a pleasurable display.

**DIVING**

Yasawa Princess offers you a unique opportunity to experience the marvels of the underwater coral gardens of the Maldives through scuba diving. Whether you are a beginner or an experienced diver, we have dive packages and courses to suit your needs. We offer personalized services and our experienced dive masters and dive instructors ensure a professional service.

**OTHER**

**Ports of call and Itinerary**

For a true taste of the Maldives, all the islands just have to be explored. This is where Yasawa Cruises can oblige.
